

List of Sole Source Products  
Developed by the Fuchs Research Group  
at Vanderbilt University  
As of 11/2/2022

The Fuchs Research Group at Peabody College of Vanderbilt University has developed a portfolio of proprietary research-validated programs for reading and math intervention and assessments. The Fuchs Research Group, and Vanderbilt University, by default, hold all the legal rights of ownership to these programs for which Dr. Lynn Fuchs and Dr. Doug Fuchs are the principal developers. Consequently, Vanderbilt University has retained all distribution rights and is the sole source provider and distributor of the programs and assessments listed below. If you would like to order any of these materials, please contact Fuchs Research Group at [FRG@Vanderbilt.edu](mailto:FRG@Vanderbilt.edu) or call 615-343-4782. All correspondence regarding the sole-sourced products listed below may be directed to Vanderbilt University, PMB # 228, Attention: Fuchs Research Group, 230 Appleton Place, Nashville, Tennessee, 37203-0001.
