

PROGRAM BASICS

Fraction Face-Off!

Developed at Vanderbilt University

A. Key Implementation Criteria:

1. Small group tutoring instruction.
2. All teacher-directed lessons prepared as scripts to help convey instructions to the class
3. 36 lessons included in the program: 12 week implantation schedule
4. 30 – 35 minute sessions, 3 times a week.

B. Program Skills:

1. This program emphasizes the measurement of fractions, but also addresses part/whole interpretation of fractions.
2. Learning fraction vocabulary.
3. Understanding the magnitude of fractions.
4. Comparing two fractions. Which fraction is bigger?
5. Ordering three fractions.
6. Introducing exact placement of fractions on the number line.
7. Solving word problems that require multiplicative reasoning.
8. Finding fractions = $\frac{1}{2}$ with multiplication; finding fractions = 1 with multiplication
9. Converting mixed to improper; converting improper to mixed
10. Adding and subtracting fractions.

C. Costs:

1. Fraction Face-Off! Manual Unit Price: \$40.00
*This manual includes supplemental materials in either paper or CD format.
2. Optional Fraction Face-Off! 1 Year Licensing Fee: \$10.00
3. Optional Fraction Face-Off! 1 Year License Fee + Perpetuity: \$30.00
4. Fraction Face-Off! Manual with IRP Unit Price: \$90.00
5. Fraction Face-Off! IRP Unit Price: \$50.00
*With the Implementation Ready Pack (IRP), you have the option to purchase the manipulatives already prepared for you.

D. Student Rewards / Recognition:

1. Students earn Fraction Money after successfully completing activities during the Program. Fraction Money is redeemed for prizes. Prizes are provided by the educator.

Blueprints Certified:

*Meeting the highest standards of evidence
through independent review by the nation's top
scientists.*
