

PROGRAM BASICS

PALS Math Grades 2 - 6 Student Materials

Developed at Vanderbilt University

A. Overview:

1. These manuals provide the grade specific student materials and lessons for the Grades 2-6 Teacher Manual.
2. The Supplemental Materials Manuals come in three formats: paper manual, Manual on CD or Manual on a Pen Drive.

B. Program Details:

1. Grade 2 Supplemental Materials Product ID's: 303-2M, 303-2CD & 303-2PD
2. Grade 3 Supplemental Materials Product ID's: 303-3M, 303-3CD & 303-3PD
3. Grade 4 Supplemental Materials Product ID's: 303-4M, 303-4CD & 303-4PD
4. Grade 5 Supplemental Materials Product ID's: 303-5M, 303-5CD & 303-5PD
5. Grade 6 Supplemental Materials Product ID's: 303-6M, 303-6CD & 303-6PD
6. Materials include Coach's Question Sheet, Coaching Sheet, Coaching Answer Sheet, Practice Sheets, Practice Answer Sheet, and Point Sheet.
7. Activities include COACHING (in which students teach each other math skills) and PRACTICE (a mixed problem-type timed drill that incorporates the type of problem addressed during that day's Coaching, as well as easier problem types)

C. Costs:

1. The price per unit per grade level is \$30.00 no matter what format you purchase.
