

List of Sole Source Products  
Developed by the Fuchs Research Group  
at Vanderbilt University  
As of 3/22/24

The Fuchs Research Group at Peabody College of Vanderbilt University has developed a portfolio of proprietary research-validated programs for reading and math intervention and assessments. The Fuchs Research Group, and Vanderbilt University by default, hold all the legal rights of ownership to these programs for which Dr. Lynn Fuchs and Dr. Doug Fuchs are the principal developers. Consequently, Vanderbilt University has retained all distribution rights and as such is the sole source provider and distributor of the programs and assessments listed below. If you would like to order any of these materials, please contact the Fuchs Research Group at [frg@vanderbilt.edu](mailto:frg@vanderbilt.edu) or call 615-343-4782. All correspondence regarding the sole sourced products listed below may be directed to Vanderbilt University, 230 Appleton Place, PMB # 228, Att: Fuchs Research Group, 110 Magnolia Circle, Suite 418, Nashville, Tennessee, 37235-0001.
